Sr. Campaign Finance & Reviewing Analyst

Washington, DC 20063

Dear Ms. Sinram:

The committee is in receipt of your letter dated May 8, 2016 regarding the committee's March Monthly FEC Report (2/1/16 - 2/29/16).

24H Notice / Schedule E Transaction

With regard to the Glittering Steel LLC transaction for \$31,350 referenced in your letter, the committee has determined that it was disseminated in the M3 period (2/1/16 - 2/29/16), but paid in the subsequent M4 period (3/1/16 - 3/31/16). Therefore, the committee has amended its M3 FEC report to show the outstanding balance on Schedule D (See FEC-1077219, p 18). In addition, the committee has amended the M4 FEC report to clarify the transaction as it was extinguished as part of a larger transaction. See FEC-1077223 (pp. 10, 14, & 16).

Schedule E - YTD Per Election Totals

The committee has reviewed Schedule E for Line 24 for both the M2 (Amended on 6/13/16) and the M3 (Amended 6/13/16) and has determined that the Calendar YTD amounts for the referenced elections are now correct.

Schedule E - Line 24 / Cambridge Analytica

With regard to the above referenced transactions totaling \$27,251, the committee has determined that these transactions were reported as part of a "pre-paid" expenditure on Line 29 of the M2 report because they were not included in an independent expenditure nor disseminated until after the period had closed. Therefore, the committee has amended the M2 report to move this portion of the pre-payment from Line 29 to Line 24 accordingly. See FEC-1077218, p 9). In addition, the committee has amended the M2 report to show the corresponding transactions that total to \$27,251 as live transactions on Schedule E, Line 24.

Sincerely,

Jacquelyn James
Treasurer
